 7569090694  vbala\_csd@srkrec.edu.in

## Skills

---

### Front-end Development:

- Proficient in HTML5, CSS3, JavaScript (ES6+)
- Experience with modern frameworks and libraries such as React.js, Vue.js, and Angular
- Responsive web design principles and mobile-first development
- Familiarity with version control systems like Git

### Graphic Design:

- Advanced proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Strong understanding of typography, layout, and color theory
- Experience in creating branding materials, including logos, business cards, and marketing collateral
- Knowledge of UI/UX design principles and wireframing tools like Sketch or Adobe XD

### Programming Languages:

- Proficient in C, Python, and Java
- Experience in writing clean, efficient, and maintainable code
- Knowledge of data structures, algorithms, and object-oriented programming concepts

### Other Skills:

- Cross-browser compatibility testing
- SEO best practices
- Agile development methodologies
- Excellent communication and collaboration skills

## Projects

---

- **Responsive Portfolio Website:** Create a personal portfolio website showcasing your front-end development skills. Ensure it is responsive and includes interactive elements.
- **E-commerce Website:** Design and develop an e-commerce website with features like product listings, search functionality, shopping cart, and checkout process.
- **Weather App:** Build a weather application that fetches data from a weather API and displays it in a user-friendly interface with dynamic updates.
- **Task Management Application:** Develop a task management application where users can create, update, and delete tasks. Implement features like drag-and-drop functionality for task prioritization.
- **Interactive Data Visualization:** Create interactive charts and graphs using libraries like D3.js to visualize data in a compelling and engaging way.
- **Social Media Graphics:** Design graphics for various social media platforms such as Instagram, Facebook, and Twitter to promote events, products, or campaigns.
- **Packaging Design:** Design packaging concepts for products such as food items, cosmetics, or electronics, considering both aesthetics and functionality.

**Certification**

---

- Programming Essential for C Language Cisco (2022)
